Below is a listing of our events for the 2017-2018 school year. If you can donate any of your time, we would love to have you join us. Please circle any event(s) you would like to be a part of this year. We really do have a lot of fun planning for these events. It is a wonderful opportunity to make new friends! Some events require very little time, while others need more. You may give as much or as little time as you wish! We promise you won't be working alone!! Any time given helps our children and our school! Thank you!!
