Hello WES families:

We had a fabulous week seeing each of our students!! Things may look and feel different, but one thing remains the same, having our students back makes WES an incredible place to be, whether remote learning or in person!

Each day we have made slight changes to drop off and dismissal procedures to make it as smooth and safe as possible. Drop off changes beginning Mon, September 14th:

- Every child being dropped off by the bus will enter door 2 in the bus loop
- Every child being dropped off by a vehicle from home, will enter door 15 by the playground
- Children will be monitored in hallways to remain socially distant and walk on the right side of the hall in the building

One major change will be implemented for pick-ups beginning Mon, September 14th:

- 2:45: Bus dismissal begins
- 3:00: Parent Pick up begins, allowing two traffic patterns for pick up
 - **Grades K, 1, 2:** parent pick up will be as described in the video, in the pick up circle closest to the playground.
 - **Multi ½, Multi ¾ and Grades 3 and 4** will pick up in the bus circle AFTER all buses leave.
 - Parents with students in multiple grades will use the first pick up area with grades K, 1, 2
- All traffic will still enter at the high school as described in the video, and Officer Long will be helping to direct traffic once vehicles arrive at WES.

As a reminder, beginning September 14, we will use the Hybrid B model where 50% of the students attend in person at any one time. We will use this model for the week of September 14 - 18.

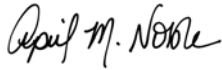

Please see below:
