Kindergarten Registration Information

Dear Parents and Guardians,

Registration for Kindergarten residents of Wells and Ogunquit will take place throughout the month of March. If you have a child who will be five years of age on or before October 15, 2020, you may register them for the 2020-2021 school year.

Registration is NOT by appointment. Please visit <http://bit.ly/weskinder> for all forms and necessary documents to complete the registration process. Please download and fill out **every** form. Please print these forms out **single-sided**. If you do not have access to a computer and/or a printer, you may call the office to request these forms be mailed to you, or you may pick them up at the front office. Upon completion of the required forms and documents, please come to the Wells Elementary office throughout the month of March, anytime between the hours of 8:00 - 2:30, to drop off your forms, in order to complete the registration process.

When you come in to register, please bring the following papers:

- Student registration
- Student enrollment application
- K-4 bus registration
- Language use survey
- Maine migrant education program
- Active military duty questionnaire
- Immunization requirement
- School Health Services health history
- Physical exam form (your child's most recent physical)
- Preschool teacher questionnaire
- Parent questionnaire

You will also need the following to complete the registration process:

- An **original** of your child's birth certificate (we will make a copy here)
- A record of his/her most current immunizations
- Proof of residency dated within the last 30 days (utility bill, tax bill, long-term lease, bill of sale). A licence is not acceptable proof
- Any necessary legal documentation related to the student

We are looking forward to meeting you and your child. Upon registration, you will receive more information regarding Kindergarten screening which will occur in May. Our annual Kindergarten Information Night will be held on Thursday, April 2nd, at 6:00 pm. Information regarding Kindergarten and Beginning Kindergarten will be presented during the information evening.
